FREE CONGRESS FOUNDATION ANNOUNCES “THANK YOU” TO DONORS FOR HAITIAN EMERGENCY RELIEF

Alexandria, Virginia: The Free Congress Foundation would like to thank all of those individuals who generously donated to our recent emergency relief effort for the suffering people of Haiti.

The Free Congress Foundation currently has raised, in partnership with our donors, around \$6,200 which will be given directly to **Samaritan’s Purse**, a Christian relief organization based in Boone, North Carolina, which has a track record of effective use of funds in a time of great emergency and need.

We would especially like to thank Ken and Dianne Wright of the C. Kenneth and Dianne Wright Foundation based in Richmond, Virginia for their very generous gift.

Free Congress Foundation President and CEO, James S. Gilmore, III said, “We are deeply grateful to our supporters and others who gave of their own financial resources and answered our call to support the foundations Haitian relief efforts. The money raised will be used directly in helping to relieve the suffering of the Haitian people.”

The Free Congress Foundation is an educational charitable organization, dedicated to offering common-sense conservative solutions to the challenges facing our nation and the states, and vigorously advocating those proposals in the halls of Congress and the communities our Congress represents.
